### LEGAL INFORMATION CONCERNING PERSONAL DATA STORAGE

*The notaire is responsible for his clients' data stored in order to fulfil his legal obligations, especially the drafting of his acts. This information is necessary in order for the notaire to fulfil his legal duties.*

*Some of the descriptive and economic data may be used to compile a real estate database, in accordance with the French « Commission Nationale de l'Informatique et des Libertés » regulations, in order to ensure the production of information of general interest.*

*The personal data stored is used in accordance with professional secrecy and is not communicated to third parties other than certified partners of the office and those drafting statistics of general interest.*

*In accordance with Chapter V (section 2) of the French law n°78-17 "Informatique et Libertés", 6 January 1978, you may access your data, contest (except if the regulation does not allow such a right), amend, update and erase it. The office secretary will communicate any information you may request regarding these rights.*
